

# NOTICE OF IMMEDIATE CANCELLATION OF INTERNET USER LICENCE

**Citation Number :**

**Date:**

## REASON FOR LICENCE CANCELLATION:

- Still using Internet Explorer 6 as main browser
- Typing all responses in ALL CAPS
- Wrote in a random mix of upper and lower case characters
- Created or joined a "We want the old Facebook back" group
- Online profile contains the phrase "Social Media Guru"
- Complained that others can see their private posts on their Facebook Wall
- Accepted strangers as a friends on Facebook
- Overuse of emoticons, abbreviations and/or "LOL"
- Googled "Facebook login" and the proceeded to leave a comment on ReadWriteWeb asking where Facebook had disappeared to
- Does not know that URLs can be added to the address bar, not just searched via Google or Yahoo
- Forwarded a chain email to 10 friends
- Doesn't know what Rick-rolling is
- Alternative Violation – Details below:
